

## More People Go Overseas with Visa

Monitoring and gaining access to your funds while travelling abroad has never been easier, thanks to the range of traveller-friendly products and services available from Visa.

Visa enjoys unsurpassed acceptance around the world and is part of the world's largest global ATM network, offering local currency cash access in over 170 countries.

### **Are you a budget-conscious traveller with a set holiday budget, who wants to maintain ultimate control over your holiday finances?**

Visa **Prepaid** cards can be pre-loaded with holiday funds in foreign currencies including US or New Zealand dollars, British Pounds and Euros – so you can finalise your holiday budget before you even step foot on a plane. By changing money before departure, budget conscious travellers can also ensure they won't be hit with unexpected exchange rates when away.

Visa Prepaid cards can be used at millions of merchant locations around the world, at ATMs, over-the-phone and on the internet. They provide convenient access to local currency to pay for taxi fares, museum entrance fees, telephone calls, snacks and other 'cash' expenses.

Best of all you still have peace of mind if your wallet is lost or stolen, your holiday money is still safe as you can cancel the card immediately, and use the back-up card linked to the same funds, leaving you to relax and enjoy your holiday.

### **Are you looking to spend money direct from your bank account, but do you wish that didn't involve carrying cash or travellers cheques?**

Visa **Debit** cards function exactly like an EFTPOS card, but with the benefits that come with Visa.

Visa Debit cards allow you to pay for purchases in Australia and overseas directly from your bank account. Better still your Visa Debit card can be used online and over the phone in the same way as a credit card - meaning you can organise everything from hotel reservations to rental car bookings with Visa Debit.

Visa Debit is accepted at millions of locations worldwide giving you purchasing power while you are travelling.

### **Do you require access to a line of credit while on holiday, and feel comfortable repaying your holiday afterwards?**

All travellers can enjoy the convenience, security and reliability of Visa **Credit** cards. From booking international restaurant reservations to organising airport transfers, Visa Credit cards are recognised and accepted by merchants all over the world, both on and offline.

Many Visa Credit cardholders can also enjoy access to a line of credit, emergency card replacement, and emergency cash disbursement services as well as medical and legal referral and assistance and free travel insurance. (Please note: These inclusions depend on the individual product and cardholders should contact their issuing bank for details.)
